

Roger Turcotte is a highly sought-after national speaker in the realm of real estate education. Roger's experience as a real estate agent and manager helped him create solution-based seminars that empower real estate managers and agents to sharpen their competitive edge.

An ease with teaching and an engaging sense of humor enable Roger to provide seminars that are informative, enjoyable, and, ultimately, profitable. Roger has earned a reputation as a consummate real estate educator, with recognition by seminar students, agency owners, and REALTOR® associations throughout the United States.
